## New Products now in stock at the Trading Shed

### NEW

Improve your yield of apples and plums.

Hang **Pheromone Traps** on apple and plum trees in early May to catch male moths, reducing the chances of mating.

Newly hatched caterpillars of the plum and apple moths tunnel into fruits in midsummer and feed until fully grown in late summer when they emerge.

Product	Size	Price £
Apple Maggot control trap	each	6.00
Plum Maggot control trap	each	6.00
Refills for both traps	each	4.00

### NEW

Organic bug free spray for fruit and vegetables	1 ltr	3.50
---	-------	------

### NEW

A high quality full size growing bag containing all the nutrients required to grow a wide variety of edible and ornamental crops.		
Full size for 4 - plants	each	2.50
