

GROW YOUR OWN FOOD

Raising your own vegetables, fruit and herbs has to be one of the most satisfying activities food lovers can indulge in. It's not just people with time on their hands. A compact allotment plot is the most you'll need to begin enjoying your own organic crops.

HOW DO I GET AN ALLOTMENT?

At Pointalls Allotments in the heart of Finchley we have over 160 plots. If you are determined to get hands on and grow your own, in normal times we would ask you to come and visit us for a tour of our site. Our knowledgeable lettings team answer your questions, give advice on costs, resources and time needed, and how long waiting for a plot is likely to be.
